## **All Church Planning Meeting a Success**

Approximately 50 members attended the All Church Planning Meeting last Sunday. After lunch, lively discussions took place for over two hours. The group developed several suggestions regarding the reception and involvement of new members. In addition, they continued to explore the possibility of contemporary worship and ways to increase the engagement of the 1,000 members who live within travel distance of our church. Church Council and the Worship Advisory Committee will review these suggestions and make plans for their implementation. A sincere thank you is offered to those members who were able to spend this time working to move our beloved church to an even higher level.
