## Welcome to Sara and Mike

Staff Parish Relations Committee would like to welcome Sara Miller, Church Secretary, and Mike Drabick, Maintenance Manager, to the MLUMC staff. SPRC is also pleased that Mike Staab has decided to remain on staff as our Facility Prep/Setup expert! Thanks to all the volunteers and staff who filled in the gaps, helped answer the phones and kept our office running smoothly over the past two months. - Noel Slater, SPRC

**Sara Miller**  
Church Secretary

Sara Miller recently moved to Pittsburgh from Kalamazoo, Michigan, where she was the Assisting Partner in Ministry at Kalamazoo First United Methodist Church: She helped the membership secretary manage attendance and address changes, worked with the Associate Pastor for Creative Worship to plan and lead a monthly Emerging worship gathering, and did some design and layout jobs for the communications department.

Sara's husband Mike – the reason for the move to Pittsburgh – is a statistician for Gateway Health. He analyzes data to help Gateway encourage their patients to seek more preventative care (rather than waiting for a health emergency). The couple lives in Mt. Lebanon, right behind Rolliers. No kids, no pets, but lots of houseplants.

Sara also serves the congregation of Trinity Lutheran Church on the Northside as their music minister and organist, and she teaches piano and voice lessons at Empire Music on Washington Rd.

**Michael F. Drabick**  
Maintenance Manager

Michael Drabick, a member of Mt. Lebanon United Methodist Church, is retired from Formtek where he was the Director of Customer Service and Training. He brings to his church position over 30 years of experience including training, customer support, analysis functions, budgeting, hiring, and employee evaluations.

In retirement Michael has been busy with a complete change of careers, Drabick's Handyman Services LLC. His part time business is a "hands-on" job, improving and maintaining local properties.

Over the last 25 years he has completed work for area home owners and on mission trips. This includes, but is not limited to, drywall, painting, carpentry, small plumbing jobs, electrical diagnosis and repair, landscaping, and general home repair.

Most important to Michael is his family. Caryl, his wife, is the love of his life and an important fixture at MLUMC. Their daughter Kara is teaching school in Baton Rouge, LA and their son Matthew, in Manhattan, works for a Wall Street firm. As it happens, both children are engaged to be married in the next year
