I have always believed that God leads me down the path he has chosen for me. And this is my next step. It is exciting to begin this new chapter of my career. I feel privileged to have the opportunity to lead this amazing Childcare Center. Summer begins June 21st, it is such a wonderful season for children to explore the outdoors, enjoy water play and be a kid!

June Fun

It is officially summer this month. Be sure your child has sunscreen labeled with their name, swimming clothes, and a towel. We like to get them outside to enjoy as much as possible. Be sure the extra clothes that are kept at school are good for warm weather.

Please be sure you have the remind app installed on your phone to receive emergency alerts. The code is now @bethbrack.

Please let your child's teacher know when you are taking family vacation so I can plan accordingly. There is a signup sheet posted on each rooms' door.
