We are welcoming fall this month. Time to take home the swim stuff and bring the light jackets. It is helpful to label everything with your child's name. Also, it is a good time to be sure your child's extra clothes are warm enough for the new season and the right size.

We will be starting using the ProCare Parent Engagement App this month. It has been a process but I think I have it almost ready to launch. The teachers will be using it for a few weeks to work out the problems then we will be inviting our families to join. It will be how you sign-in and out, communicate with the teachers, and view daily happenings. We will be saving lots of paper. 😊

We welcome Miss Courtney this month. She will be joining our amazing Jr. Pre-K Team of teachers. Miss Leanna will be moving to the Older Toddler room working the 8-4 shift!
